Introduction:

India International Industrial Expo (IIIE 2024) is set to be a pivotal event for the Industrial, Manufacturing, and Engineering sectors. Scheduled from December 13-15, 2024, at Kochi, Kerala, India, the expo aims to accelerate industry growth by bringing together global experts, cutting-edge technologies, and best practices.

Exhibition Highlights:

IIIE 2024 will showcase the latest advancements in machine tools, manufacturing technology, and the future of automation. The expo will feature a seamless integration of sensors, robots, software, and cobots, providing a glimpse into the technologies beyond Industry 4.0.

Why Exhibit:

Exhibitors have the opportunity to:

- Gather valuable sales leads from new and existing customers.
- Establish a prominent market presence through direct, three-dimensional marketing.
- Interact face-to-face with the audience to gauge interest and needs.
- Build brand awareness and strengthen market presence.
- Conduct industry, product, or service research.
- Launch new products or services and compete alongside industry peers.
- Network with influential buyers and end-users from both government and private sectors.

Unlimited Opportunities as an Exhibitor:

Exhibitors can:

- Showcase machinery, technology, products, and services to focused trade visitors.
- Engage in one-on-one interactions with industry professionals.
- Build brand recognition among industry stakeholders.
- Explore new business and investment opportunities.
- Visitor and Sponsor Opportunities:

As a Visitor:

Learn about the latest technologies, find raw materials and suppliers, discover investment sources, and connect with professionals.

As a Sponsor:

Stand out, enhance leadership status, and project a lasting brand image to a targeted audience.

Exhibitors Profile:

Featuring a diverse range of industries, the expo will cover:

www.iiie.in

Exhibitors Profile:

Mechanical & Engineering:

- Special Purpose Machines
- CNC Machines / Laser Marking Machines
- Lathes, Automatic Lathes
- Machinery & Machine Tools
- Cutting & Allied Tools
- Abrasive Tools & Products
- Sheet Metal Machinery
- Planing, Shaping, Slotting & Broaching Machines
- Hardening & Heating Machines
- Drilling, Boring, Milling, Grinding, Screwing & Gear Cutting Machines

Material Handling:

- Material Handling Equipment
- Testing & Measuring Equipment
- Calibration Services

Chemicals and Pharmaceuticals:

- Organic & Inorganic Chemicals
- Pharmaceutical Machinery / Materials
- Chemical Plants & Machinery
- Foundry Machinery / Chemicals
- Sugar Machinery / Chemicals
- Petrochemicals, Polymers

Filtration & Separation:

- Filtration & Separation Systems, Filters
- Water Treatment & Pollution Control Equipment

Metrological and Scientific Equipment:

- Metrological Equipment
- Analytical & Laboratory Equipment
- Scientific Equipment
- Cooling Water Systems, Cooling Towers

Electrical & Electronics:

- Industrial Automation
- Industrial Instrumentation
- Electrical Power Tools, Robotics
- Electrical Switches, Switchgear
- Control Panels
- Weighing Machines
- Wires & Cables
- Electric Motors & Transformers
- Barcode Machines

- Generators Equipment
- Security & Industrial Safety Equipment
- Industrial Fixtures
- Luminaries & Lighting Equipment
- Renewable Energy & Power
- Solar Energy Equipment
- Batteries / U.P.S./Inverters / Stabilizers
- Telecommunication
- Wireless & VOIP Solutions
- Safety Equipment
- Fire & Fire Fighting
- Air Compressor
- Chains, Sprockets & Conveyors
- Industrial Cleaning Equipment
- Hardware Related Services
- Packaging Machinery / Materials

Oil & Gas:

- Waterproofing Chemicals
- Pumps & Valves
- Mechanical Seal
- Process Control Equipment

Plastic and Food Processing:

- Plastic Machinery & Products
- Food Processing Industries

Industrial Storage and Construction:

- Industrial Storage Systems
- Ferrous & Non-Ferrous Metals
- Pipes & Tubes
- Doors & Gates
- Earthmoving Machinery / Equipment
- Construction Machinery / Equipment
- Roofing Sheets & Materials
- Auto Components & Accessories

Rubber and Textile:

- Rubber & Rubber Products
- Industrial Products
- Dairy Equipment & Accessories
- Textile Machinery Products
- Bearings
- Boilers
- Bolts, Nuts, Fasteners, Springs
- Welding Machines & Consumables
- Hydraulics & Pneumatics
- Hoses
- Gear & Gear Boxes
- Fibre & Fibre Products

CAD & CAM:

Industrial Oils & Lubricants
IT Products & Support Services
Banking Services & Insurance
Financial Companies
Service Providers & Logistic Companies
Government Organizations & PSUs

Communication & Networking:

Data Acquisition Hardware
Guided Vehicles, Smart Handling & Automation Systems
Humanoid / Cooperating Robots (Cobots)
Networking and Communication Hardware, IoT Devices, Sensors and Components
Smart Mobile Terminals, Vision Systems
Industry 4.0 Hardware
CAD / CAM / CAE
Communication - Bluetooth, NFC, etc
Data Analytics, Cloud Services
ERP
Industry 4.0 Integrated Systems, Internet and Data Security
Smart Factory Solutions
Artificial Intelligence / Augmented / Virtual Reality
Simulation, Digital Twins
Digital Manufacturing Software

Additive Manufacturing:

3D Printing Machines
Fused Deposition Modelling, Selective Laser Sintering
Technologies and Services
CAD / CAE Software in Additive Manufacturing / 3D Printing
Scanning, Digitization, Metrology, and Inspection Equipment
Metal Moulding and Tooling
Hybrid Process
Input Materials – Powders, Granules, Filaments
Resins (Metal & Plastic)
Additive Manufacturing, any other

Tools and Machinery:

Hand Tools
Power Tools
Cutting Tools
Machining Tools
Workshop Machinery
Tool Holders and Accessories
Precision Tools
Machinery Parts and Components
Woodworking Machinery
Metalworking Machinery
Other Tools and Machinery Categories

EXHIBITION PACKAGES - INDIAN EXHIBITORS

RATE PER Sq. M

Shell Scheme

Rate - Rs. 8000 Per Sq. M

GST - 18% Extra

BOOTH - 9 Sq. M -Shell Scheme -Rs. 72000 + GST

Premium and Corner Stalls- 50% extra

Raw Space - Rs. 7000 Per Sq. M

Minimum Area 27 Sq. M

Booking - 100% Advance

BOOTH INCLUDES

Table with Cover (1 Nos)

Chair (2 Nos)

Power Point (1 Nos)

Lights (2 Nos)

12 Hrs. Electricity Supply

Two (2) Exhibitor Badges

INTERNATIONAL EXHIBITORS

Shell Scheme -

US\$ 250 Per Sq. M

Minimum Area 9 Sq. M

Raw Space -

US\$ 200 Per Sq. M

Minimum Area 27 Sq. M
